AFTER ALLOWANCE COMMUNICATION

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This communication is responsive to the Notice of Allowance mailed on March 24, 2005. Applicant requests that a copy of the PTO form 1449 submitted on April 6, 2001, be provided showing where the Examiner has initialed each of the references. The Office Action of August 14, 2003 indicates that the Information Disclosure Statement form PTO-1449 was included, but it appears to have been omitted.

Additionally, Applicants assert that claims 28-30 are also allowable in addition to those indicated on the Notice of Allowability for the reasons discussed in the response filed December 28, 2004. The Notice of Allowance indicates that the Notice is in response to the arguments filed December 28, 2004 (received January 3, 2005) but fails to acknowledge that claims 28-30 are still pending and are allowed.

Respectfully submitted,

  
Jeramie J. Keys
